June 15–August 21

CENTER #1
2029 Winston Road
553-1030

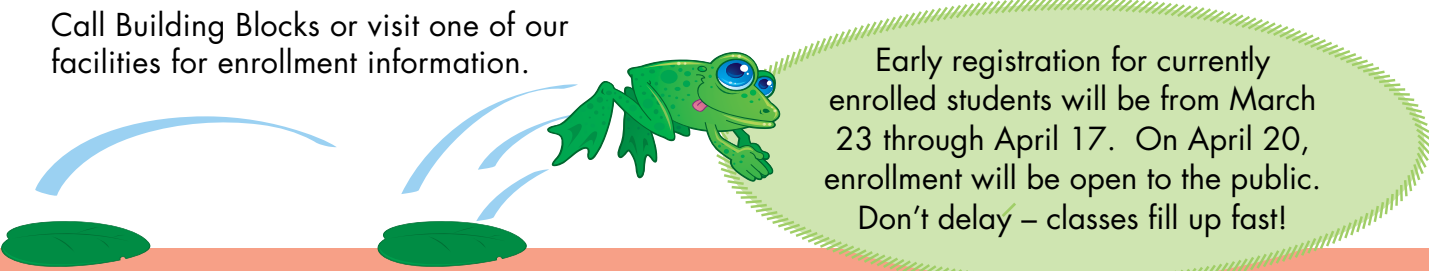

CENTER #2
622 S. Barbour St.
553-5814

CENTER #3
100 East School Road
553-1215

BUILDING BLOCKS CHILD CARE AND DEVELOPMENT CENTER'S LEAP Into Summer Program provides a balance between structured activities and free choice play. We offer many opportunities for social interaction, emotional growth, and physical and intellectual development. Swimming sessions, field trips and special activities correlate with the theme of the week. Sports skills, sportsmanship, non-competitive games and fitness are also incorporated into the program.

Our program is designed to give the children a fun and active summer experience, build new friendships, explore interests, and create lasting memories. We will also be providing various academic sessions to keep the children's brains active over this extended summer break as well.

Call Building Blocks or visit one of our facilities for enrollment information.

Early registration for currently enrolled students will be from March 23 through April 17. On April 20, enrollment will be open to the public. Don't delay – classes fill up fast!

ALL AROUND THE TOWN

JUNE 15 – 19

This week we will learn about all the community helpers that make our town a great place to live. Doctors, nurses, teachers, firefighters, police officers and postal workers are just a few of the people we will discuss this week. A trip to Rainbow Lanes will be a great way to celebrate this week.

THE OCEAN IN MOTION

JUNE 22 – 26

Oceans, rivers, ponds and lakes are some of the bodies of water we will learn about this week. We will also learn about various sea creatures as we explore the world that is The Ocean in Motion. A trip to the Marbles Kids Museum to see Under the Sea in 3-D an IMAX adventure will be the highlight of this week.

LET'S GET PHYSICAL

JUNE 29 – JULY 2 (CLOSED 7/3)

Health and fitness will be the main focus of this educational week as we explore nutrition and our bodies and how they work. A visit to the Health Lab at the Durham Museum of Life and Science will be a favorite for all our campers this week.

BUGS, BONES & BEYOND

JULY 6 – 10

Carnivores, herbivores, T-Rex and more!!! This week we will explore the world of dinosaurs, reptiles and amphibians. We will also explore bugs and worms and many other creepy crawly things. The highlight of our experience this week will be a trip to the Museum of Natural Sciences in Raleigh.

FANTASTIC FOODS

JULY 13 – 17

Cooking and nutrition will be the focus of this great tasting week. We will explore the cuisines of many different lands as we enjoy many wonderful cooking projects this week. We will also learn about good nutrition and the food groups and an exciting trip to the Poe Center will top off this week.

WINTER WONDERLAND

JULY 20 – 24

Igloos, penguins, polar bears and all things "chilly" are what we will learn about this week. A trip to the Raleigh IcePlex will be a cool treat this week. We may even have a visit from the ice cream man this week.

LEAP INTO THE LABORATORY

JULY 27 – 31

This week we will explore our mad scientist side as we participate in many different experiments and enjoy a visit from "Mad Science" a traveling laboratory. We might build our own volcano or make homemade marshmallows...what fun!

ARTSPLOSION!!!

AUGUST 3 – 7

Painting, coloring, sculpting and creating are only a few of the very exciting activities we have planned for this week. The children will use a variety of art media to create wonderful masterpieces this week. A visit from Pottery Camp for our young artists to make their own pottery creations will be a wonderful addition to this week.

FARMING FRENZY

AUGUST 10 – 14

Animals, tractors, planting and plowing are just a few of the things we will explore this week. We will enjoy a tour of a working farm, making candles, churning butter and a picnic lunch on our field trip to Kenly's Tobacco Museum.

ABRACADABRA

AUGUST 17 – 21

The world of magic is what we'll explore during this fun-filled week of camp. Fairies, wizards and mystical creatures will fill our classrooms and a visit from a real magician will be a great end to our camp adventure.
